I.4 Environment & Gameplay

You control one of the four Apocalypse horsemen, and you have to defeat a bunch of demons all extracted from the Oh My God Bible.

The Horsemen have to defeat several demons all chosen by Satan himself to prove there are still good enough in case of Apocalypse.

I.4.I Victory Defeat conditions.

The game is a boss fight gameplay. The boss's life fall under 0, you win. Otherwise, if its your life fall under 0, you loose and have to restart the fight.

I.4.II Gameplay

The gameplay articulate around a 3D shoot'them up mix with a boss fight. You are in an arena (there will be four arena in total). You have one demon and one or two horsemen. A shared life options will be available.

The boss have several bullet's patterns and 2 special attacks. Each quarter of life, the current pattern explode and update the next patterns.

I.4.III Controls

The right trigger is for normal shooting.

The left bumper is for dashing.

A button special attack. (bullet storm)

Left stick to move

Right stick to aim

Furi

Disgaea

I.6 Scope

Our project scope include the following :

- Designing and develop a game with Unity (no joking)
- Game has to be a bossfight with DoDonPachi experience
- Two Players handled
- Two characters playable
- One boss included
- One Arenas included
- Full Set of Menus
